

California Center for the Arts, Escondido Campus 23

For the City Parking lot:
From Interstate 78, turn south on N. Broadway. Turn right onto West Valley Parkway. Turn right again into the City Parking lot. The parking lot has a small entrance to be on the lookout for it after City Hall.

If you follow your GPS, it will likely have you turn at Escondido Boulevard or Centre City Parkway. Since West Valley Blvd. is a one way street, you won't be able to turn to reach the City Parking lot.

For the General parking lot, take Interstate 78 and turn south on Escondido Boulevard and turn left into the big parking lot.
